Dr. Doni's Natural Sleep Solutions Package

Who is this package for?

This special 6-month naturopathic treatment package is for patients whose lives are negatively affected because they cannot fall asleep and/or stay asleep at night and are seeking natural sleep remedies and solutions.

Why do I have sleep problems?

SLEEP is one of the most natural things in life; yet falling and staying asleep is a huge problem for so many people. Poor sleep cannot always be excused by saying, “I have a lot on my mind.” Chronic sleep problems can be caused by (or be a symptom of) many other health conditions, such as hormone imbalances, food sensitivities, blood sugar fluctuations or irregularities in your neurotransmitters.

Poor sleep can also cause you to be more susceptible to a variety of health problems.

Symptoms you might be exhibiting

Everyone is different, but most patients with sleep issues will exhibit one or more of these symptoms:

- Inability to fall asleep and/or stay asleep at night
- Feeling unrefreshed upon rising in the morning
- Tiredness, drowsiness, or feeling the need to take a nap during the day
- Tossing and turning; inability to “switch off” at night
- Recurring headaches
- Frequent colds, flu or other infections (bladder, sinus, etc.)
- Food cravings, especially for carbohydrates and caffeine
- Uncontrollable or unexplained weight gain
- Aches and pains (including fibromyalgia or arthritis)
- Mood issues; PMS; irritability; anxiety; overwhelm; depression
- Brain fog; difficulty focusing; memory difficulties

What makes Dr. Doni’s approach different?

Most mainstream doctors will prescribe medication to patients with sleep problems. Other patients might self-medicate with over-the-counter drugs. But drugs do nothing to address the root cause of your sleep issues; and taking them too often can result in drug dependency and side effects such as fatigue and memory issues.

In contrast, when you embark on this comprehensive sleep solutions package, Dr. Doni will arrange several diagnostic tests to help discover what is causing your sleep difficulties. Based on these findings, she will then design a treatment plan for you, using only natural remedies and lifestyle changes. By the end of your 6-month package, you should be sleeping better AND feeling better during your waking hours, greatly improving your quality of life.
Why is a “package” better than “a la carte”?

There are several advantages to choosing one of Dr. Doni’s consultation packages:

- All treatment packages cost significantly less than the same services “a la carte”.

- You will be entitled to a 10% discount on ANY supplements purchased from DrDoniStore.com for the duration of your package.

- You will have access to a private Facebook group, where you can ask questions (and get answers!) about your health issue, share experiences with other patients, and take advantage of special “members only” discounts on health supplements (for the duration of your package).

- You will receive a free paperback copy of Dr. Doni’s book The Stress Remedy (value $25).

- You will receive the Stress Remedy Program daily health tips by email for 21 days, including the 21-day meal plan and recipes.

- Best of all, patients who commit to a 6-month package tend to stick to their health regimen more faithfully, thus increasing their chances for better results.

What is included in this treatment package?

Patients are responsible for scheduling all consultations and follow-ups either via email (schedule@doctordoni.com) or online at https://doctordoni.com/schedule. We recommend scheduling well in advance to ensure availability at your preferred time.

**KINDLY NOTE:** All consultations must be completed within the agreed 6-month package timeframe. Additional consultations may be added as needed.

**Do I need to come to your office?**

Most patients do, but some prefer to meet “virtually” (by phone or HIPAA compliant video call), especially if they live far away.

**How much does this package cost?**

The total cost of this 6-month package is **$2,395.** You may opt to pay in two installments: $1,700 upon your first visit, and the balance of $695 one month later.

**NOTE:** Much of the initial fee is to cover the cost of your health panels. If you have recently taken a food sensitivities test, ask your doctor to send the results to Dr. Doni’s office, and the price of your package will be reduced accordingly.

**How do I get started?**

Simply book your first appointment by sending an email to schedule@doctordoni.com, or by using the online booking form at https://doctordoni.com/schedule. During your initial consultation, you and Dr. Doni will determine which package is the most appropriate for your health needs.
